Anti-War Poetry Social Commentary
Poems Poetry About Life Modern Poetry
Descriptive Poetry Edgy Poems This
contemporary poetry book perhaps has a
little bit of all of the above. RiddlesAndRhymes is a collection of
modern underground poetry, at times
taking a surrealistic slant with some hard
hitting poetry about life. From The Grizzly
Grocer, Come to Life through to PC Plods
Not Odd and Testomorphosis many of
these gritty urban poems reach out to the
madness of life and quite a few have an
anti-war sentiment. Anti-war poetry is
often written by people who have first hand
experience. In this case Josephs thoughts
and remarks are based on an inner feeling
that there must be other ways than war. Not
all the poems touch on this subject and are
just one persons views on what is around
us all. We warned this is poetry about life
with a hammer and a rusty nail. A recent
review on Amazon sums up this collection
of contemporary poems: Full of energy and
anger about the world we live in, these are
strong, rhythmical poems that demand to
be read aloud.
