

Edith Thompson-Executed

Edith Thompson-Executed consists of two books: The Following Years is based on the true and tragic events, which occurred during 1922-1923 and ended in the deaths of two men and a woman. The Thompson and Bywaters Case. It is a semi-fictional story about how the family dealt with the the horror, guilt and shame of having a family member executed. A Live Lived is best described as counterfactual. It is based upon true events. Stepping into Ediths unchallenged life, we meet that which could have been. A life authentic, emotionally moving and even humorous. A Live Lived is a family saga centering on the life of Edith Thompson had she been allowed to live. It focuses on her one child, her new husband, her family and profession. We see she remarries, moves out of the country, and finds refuge from the publicity she has generated all her life. The publicity of the woman who was nearly hung.
