The Professor and Nicole use this opportunity to teach Caroline the pleasures that she didnt know could be found with women. The Professor initiates Caroline into the real purpose of their private study sessions. Will Caroline become as eager a student as Nicole? **HUNTING THE SHE WOLF (PARANORMAL WEREWOLF EROTICA)** Evas midnight full moon run is interrupted when she smells a human male. Shes drawn by his scent, but when she realizes hes hunting her, she panics and runs from him. When she becomes cornered, out of fear and desire, she reveals herself to him, breaking every rule her pack has; but his reaction is not what she expects. If she wishes to sate her desires with the human, she must first protect him from her pack, but will his desire match her own? **CORPORATE SEDUCTION (GAY FIRST TIME / ADULTERY)** Mason is a not so happily married man with children, but hes finally coming to the realization that hes sexually attracted to men. This realization may have been helped along by his very hot, and unashamed coworker, Julian. When Julian sets his sights on Mason, sending him flirtatious and very suggestive emails, it becomes clear to Mason that if he wants to bring his fantasies to life, Julian is more than happy to help. Will Mason finally accept that he wants more than just fantasies of other men? Will he take Julian up on his offer to bring his fantasies to life?
