

The Time Machine

Tor Classics are affordably-priced editions designed to attract the young reader. Original dynamic cover art enthusiastically represents the excitement of each story. Appropriate reader friendly type sizes have been chosen for each title offering clear, accurate, and readable text. All editions are complete and unabridged, and feature Introductions and Afterwords. This edition of The Time Machine includes an Introduction, Biographical Note, and Afterword by James Gunn. The time? 802,701 A.D. The place? An Earth stranger than you can imagine. The people? A pretty, childlike race, the Eloi-and their distant cousins, the Morlocks: disgusting, hairy creatures who live in caves and feed on the flesh of-what? Enter the Time Traveller, who has hurtled almost a million years into the future. After the Morlocks steal his machine he may be trapped there...and at their mercy.
